INFORMATION

Date of birth February 22, 1997

Citizenship South Korean

LANGUAGES

French B2

English C1

Japanese Fluent

Korean Native

COMPUTER SKILLS

LaTeX Intermediate

SageMath Intermediate

FORTRAN Elementary

Python Intermediate

EDUCATION

PhD Student in Mathematics and Computer Sciences — Oct 2025 - Present
Université Paris Cité - Paris (France)
Co-supervised by Wolfgang STEINER (IRIF, Université Paris Cité) and Faustin ADICEAM (LAMA, Université Paris-Est Créteil)

Master of Mathematics and Applications — Sep 2023 - Sep 2025
Sorbonne Université - Paris, (France)
Master's Thesis : Transcendence of numbers associated with S-adic sequences
Supervised by Wolfgang STEINER (IRIF, Université Paris Cité)

B.Sc. with Honors and Master 1 in Mathematics — Apr 2016 - Mar 2021
Osaka University - Osaka, (Japan)
Seminar Diploma : Algebraic Number Theory
Supervised by Tadashi OCHIAI

RESEARCH INTERESTS

Transcendental Number Theory, Diophantine Approximation, Combinatorics on Words

INTERNSHIP

Research Internship — Jul 2024
Institut Camille Jordan - Lyon, (France)
Mahler's method
Supervised by Boris ADAMCZEWSKI

Research Project — Jan - Jun 2024
Sorbonne Université - Paris, (France)
Baker's Theorem
Supervised by Cyril DEMARCHE

SCHOLARSHIPS AND AWARDS

France Excellence Scholarship — Sep 2023 - Sep 2025
Awarded by the French Embassy in Korea

Korea-Japan Government Scholarship for Undergraduate Students in Science and Engineering — Mar 2015 - Mar 2020
Awarded by the governments of South Korea and Japan

ADDITIONAL INFORMATION

Military Service — Apr 2021 - Jan 2023
Seoul, (South Korea)
